The arts and culture sector contributes more than \$860 million in economic impact annually in St. Louis City and County, provides some 12,000 jobs each year, and helps create a community where people want to live, work, and play. Join us for a happy hour and panel discussion at the Loretto-Hilton Center to hear more about how women leaders in the performing arts are approaching not just the work they produce onstage, but the role their organizations can play in strengthening the St. Louis region. Featuring Kate Bergstrom, Jacqueline Thompson, and Nicole Ambos Freber, and moderated by Laurie Hiler.
